Visit'Assur 2010

Visit'Assur is an insurance solution designed for impatriates **under the age of 80** during visits to France of no longer than three months.

This policy complies fully with French regulations covering foreign nationals applying for a temporary resident's certificate or a Schengen Visa. It provides basic cover for medical expenses and repatriation assistance. For more comprehensive cover, we recommend the **Welcome Cover** policy.

Essential cover

Faced with medical expenses in France?

Emergency hospitalisation?

Doctor's appointment?

Visit'Assur covers you for both regular and unexpected medical expenses from the 1st euro you spend, with an excess of € 30 per item, and offers a direct payment service for hospital fees: you have nothing to pay up front if you are hospitalised for more than 24 hours.

Need assistance during your trip?

Involved in an accident and need to be repatriated straight away?

In the event of illness or accident, APRIL Mobilité will organise your repatriation on medical grounds, at any time, day or night, to your home or to the best equipped hospital. The policy also provides for the repatriation of your body in the event of death.

> A policy which meets the insurance requirements for:

• A Schengen Visa

Visiting a Schengen country? You are required to take out insurance covering € 30,000 of medical expenses and including comprehensive repatriation assistance.

• A temporary resident's certificate

Welcoming a foreign national into your home? In many cases, you must provide them with a temporary resident's certificate delivered by the town hall and requiring proof of insurance cover for medical expenses and repatriation assistance.

> Amend your policy free of charge

If you have trouble obtaining a visa, APRIL Mobilité allows you to change the start date or suspend your Visit'Assur policy before it starts and at no cost to you.

Suspending your policy allows you to change the start date over a 6 month period starting from the date it was issued. If you are unable to obtain a visa, you may cancel the policy.

> Cover applies in all countries of nationality and the rest of the Schengen area!

With the Visit'Assur policy you are covered for trips of up to 30 days, between two stays in France, to any of the Schengen countries (as well as Andorra, Switzerland and Monaco) or your home country.
